The ACG Enforcement Awards for Excellence in Anti-counterfeiting were launched in 1994 to recognise the excellent enforcement work that is taking place around the UK to fight the trade in counterfeit goods.

Our awards don't just reflect the seizure of counterfeit product, they also recognise those who; develop excellent, innovative approaches to enforcement, build capacity and problem-solving solutions that make a significant difference, and those who excel in leading from the front in the IP enforcement environment.

ACG members and those working in the field of enforcement and regulatory partners are invited to nominate.

Our five awards will be presented at the CTSI Conference on 18th June 2025 between 17:00 - 18:30 in the Gallery. Sponsor packages offer the following benefits:

- Opportunity to present one of the award to winners on stage
- Acknowledgment of sponsorship and mentions in social media posts on LinkedIn and X leading up to the awards
- Company logo on ACG presentation and award slides
- Pop-up banner located next to presentation stage (provided by the company)
- Acknowledgement of sponsorship and public thank you from ACG representative at the event
